## Hot Food Vendor Requirements Hollister City Fire Department

The use of food booths is regulated by the Fire Department and the Department of Municipal Code Enforcement. These requirements apply to single vendor, freestanding booths. Cooking within tents containing seating is subject to additional requirements. All food vendors are subject to inspection prior to an event. Failure to comply with the following regulations may result in closure of the location.

### Flame Retardant Requirements

The sidewalls, drops and tops of tents and canopies shall be of flame resistant material or treated with a flame retardant in an approved manner. A California State Fire Marshal tag shall be permanently fixed to the structure.

### Portable Fire Extinguishers

A portable fire extinguisher shall be provided for each food booth. The minimum size for the extinguisher is 2A 10B: C (5 lbs.). If a Deep Fat Fryer is being used, a K TYPE extinguisher shall also be provided. Extinguishers shall have a current California State Fire Marshals tag. The extinguishers shall be attached in an accessible and visible location, between 3 and 5 feet above the ground.

### Location

Food booths shall have a clearance of at least 20 feet on two sides. The booth shall not be located within 10 feet of any rides or devices. Cooking that produces sparks or grease-laden vapors shall not be conducted within 10 feet of a structure.

### Gas Stoves

All gas stoves, BBQ's and burners shall be listed by either Underwriters Laboratories (UL) or the American Gas Association (AGA).

### Deep Fat Fryers

Deep Fat Fryers shall not be used in food vendor tents. If a Deep Fat Fryer is to be used it shall be outside the tent and at least 18 inches from the outside wall of the tent. If a Fryer is used in conjunction with a BBQ, it shall be at least 3 feet away from the BBQ. Deep Fat Fryers also require the addition of a K TYPE fire extinguisher.

# HOT FOOD VENDOR REQUIREMENTS

## Bar-B-Ques

BBQ's are not permitted within the food booth. Fuel for the BBQ shall be kept at least 10 feet away from the BBQ. BBQ's shall be located at least 10 feet from a structure or combustible materials. BBQ's and other open flame devices, located outside of structures shall be secured from falling and contact by the public.

## Fuel

Fuel tanks (LPG) shall be stored outside of the structure. The tanks shall also be located away from public access. The size of the tank shall be limited to 7 gallons, unless otherwise approved. Fuel tanks shall be secured from falling.

## Smoking

Smoking is not allowed at any time within the food booth, or within 25 feet of any fuel source.

## Generators

Generators shall be located a minimum of 20 feet from tents or canopies. They shall also be isolated from contact with the public by approved means. The refueling of hot generators is not allowed.

A copy of these regulations shall be posted in the structure and signed by the vendor. By signing this form the vendor agrees to comply with these regulations. The signed copy will be available on request for review by the Fire Department.

Should you have any questions, contact: The Fire Marshal at the Hollister Fire Department Prevention Division, (831) 636-4325.
