

Hollister Downtown Association 19th Annual Lights on Celebration

Decorate a Tree Program

*Thanks to your generosity, and that of John & Tina Bourdet of Bourdet's Tree Farm,
who donated the trees,
local families in need will have a happier Holiday.*

Trees will be set-up in Santa's Village on the grassy area at the corner of Fourth and San Benito Streets and available to decorate on **Saturday, November 28, 2009 between 9 am and 11 am.**

The trees will remain on display through the second week of December and then donated to deserving families in our community.

Each tree is approximately five feet tall.

Because the trees are outside, all ornaments must be weather-proof, shatterproof, and securely fastened to the trees so that the decorations are able to stay on the tree through windy weather.

PLEASE, NO ornaments made of glass, paper, dough, or food (popcorn, etc).

Entries are limited and are accepted on a first come, first served basis.

Trees will be judged and the winning tree sponsor will receive a prize. This year's parade theme is "Candy Cane Lane".
